

Proposal to build a new type of Battery Motion Control System

I need your opinion as if this was a good gift for my wife's 20th XMAS, she is Medically Retired Air Force, so I thought I would reveal to her who the Anti-Christ is, who Satan is, and I wanted to explain what is going on in the World today and why, so I wanted to share His-Story with you, so you would know what the real Date of Jesus's birthday is according to the Torah, and ask for your help, not finically, nor spiritually, I need help getting this message to the right person, and I have no idea who that person is, but I do have one suggestion in this letter, so please read it in whole, the ending will make more sense that way, but I need help to build a machine to measure and record the End of Time that was in the Torah or condensed version known as the Bible, I need to determine if it is in 2033 as NASA believes or is Newton right about it coming in 2060. Most people relate Religion to those books, but I will prove to you it is not about Religion or any Deity God that does not Physically Exist, this is about God who is All Light without Darkness, and I will not talk about Religion, nor the Bible other than what you know about it already, God is All Light without Darkness, and that exists inside all the Atoms in the Universe, and how God is the Force of Gravity, so I will tell you a story about my First Cousin Five times remove Isaac Newton, as well as Johannas Kepler, Tycho Brahe, Galileo, Franklin, and more about Nikola Tesla then most know, and I know everything about all these people, and have a lot in common with them, I am an Aspie with over a 180 IQ, and I know the End of Time is Real, and will prove it to you with proof, and explain to you why this Medically Retired United States Air Force 100% Disabled Gulf War Vet was almost tortured to death losing an Organ, for having a PTSD attack in my own home.

I have a true story to tell you about "My Life as a Military Dog", the reason you will want to read it is because it will have a very big impact on your life, I want to explain to you World War III and what it will mean to you, I want to teach you ago Chemical Warfare, and explain the Corona Virus, that can only be spread by injection or Vaccination, that is used only for Chemical Warfare, and only gives you a disease, and never prevents it, they have been giving Placebos up to this point in history, but with the War upon us, they are going to switch to the more deadly Vaccines, and they will be forced on a Nation of Sheep like ewe who trust the Vaccines not to kill them, silly sheep, welcome to my World, and most people are not very intelligent, so they cannot figure it out, they have no Common Sense, proving the Stupid Vaccines have made them Stupider, but I was Intelligent enough to figure out that the US and China Military are working together to cut down on each other's Population, so they can blame each other.

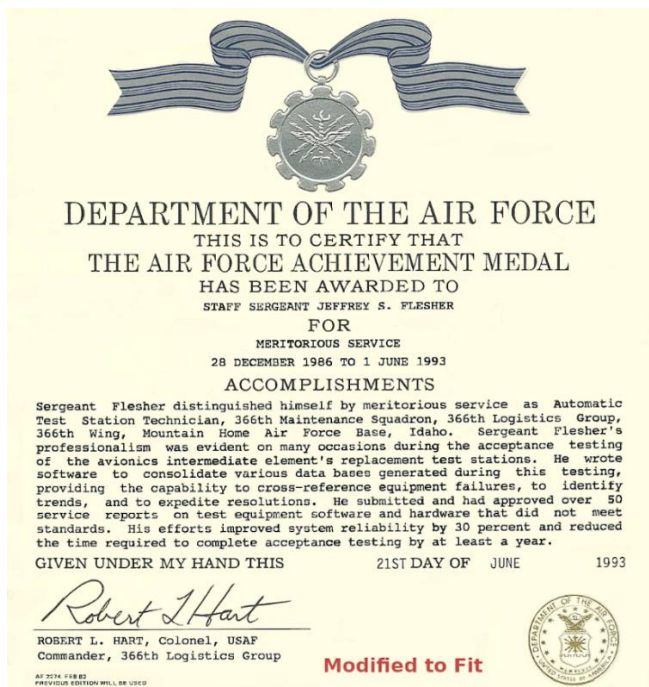

Who is the most Intelligent Person alive?

IAM and I will prove it.

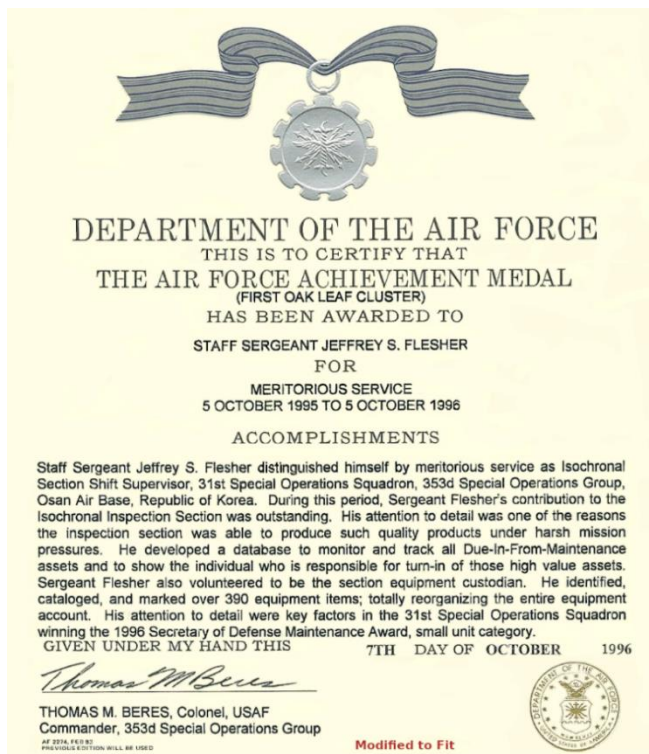

To prove how Intelligent I am I have a proposal to build a new type of Battery operated Motion Control System, the concept is simple, build a machine you can use in the Space of the Van Alen Belt before it is gone and all our Satellites get blown into deep open space, Sir Isaac Newton calculated that date under the Julian Calendar as 25 December 2060, he did not pick that date because it was the Birthday of Jesus

Bar Abbas, the Leader of the Militia who defeated "The Last Empire" known as the "Roman Empire", for the use of Money and Taxation, nor did he pick this date because it was his birthday which was 25 December 1642, the Gregorian Calendar changed it to 4 January 1643, and then removed 10 days making it 14 January, and in 1961 that was the day, I was born, on a Saturday, how lucky for me, so let me explain why this should be important to you to know, my name is Jeffrey Scott Flesher, or Flesh for short, well Me is shorter, and Flesh is Meat and Me is short for Meat so round and round we go, and if that is not confusing enough, in the Torah or condensed version called a Bible, there is a story about how People are fooled into taking the Mark of the Beast, and everyone wants to know who the Anti-Christ is, "The Last Anti-Christ" was Sir Isaac Newton, after Johannes Kepler asked Tycho Brahe what the birthdate of Christ was, he said in the Torah he has, that was written during the 3rd Century, only has one Jesus in it, and many other changes to the newer 4th Century versions, and the Nights Templars will burn all Wizards and Witches alive who own this set, and they will burn them with the set, and we all know that means death, and being sent to Hell, not even Galileo was allowed to reveal this, so Newton wrote notes that someone bought and make public domain and why all Religions ban his Teaching and demanded Albert Einstein's Theory instead, and they pour Billions of Dollars into proving it, yet over a Century and no one has, because no one understood it, take God out of the Universe, proving God did not Create the Universe, nor does God Physically Exist, or Exist at all, same thing really, so what is the End of Time, simple, according to NASA, our Magnetosphere is diminishing at a Rate of 5% a year, so do the Math, by 2033, just 13 years from the time I wrote this, we will not have a Magnetosphere, thus our Atmosphere will vent into Space, blowing our Satellites into deep Space, allowing a Micrometeorite shower to wipe out most life on the whole planet, and by most I mean all those who cannot hold their breath for over 6 minutes while the Magnetosphere reverses its poles, and then survive the Instant Ice Age, where temperatures will freeze you solid in minutes, the Oceans will freeze 6 feet deep in 3 days, the End of Time the Torah or Bible warned you about, yes it is really going to happen, how do I know this, IAM the most Intelligent Being on the Planet at this time, so how can I prove this claim, and that is with this Project, so let me explain it.

I will tell you about a story about a man named Jedi, I mean how Medically Retied Jeffery Scott Flesher was Tortured to the point of losing an organ an almost died, I am a Medically Retired U.S. Air Force Helicopter Crew Chief in Air Rescue & Special Operations with Medals

Improving the (E)F-111 by 30%

Improving Special Operations Winning Secretary of Defense Maintenance Award.

I was a Dedicated Flying Helicopter Crew Chief in Air Rescue & Special Operations, this means:

SSGT J Flesher gets engraved to the side of the Helicopter; this is the door of an MH-60 66 RQS.

This is Airman Jeffrey Scott Flesher or me in the Flesh.

I want the World to know what these Police did to our Lives making it Hell to live here, and we want to move out of this Hell, 911 is supposed to Help us, but that is not what Happened, I was tortured to the point of losing an organ, almost killing me, and all just to make money by arresting me for having a PTSD attack in my own Home, all because the pigs can, knowing I am having a PTSD attack, but they will not take me to the VA, I am not worth it to the Police in this Police State, so they moved me Cell to Cell every 20 minutes, then Jail to Jail and Cell to Cell 24/7 for a week with only Toilet Water to Drink, and they throw your food on the ground, and this is all Video Taped so FOIA it, my point is this, they know I have cancer, you cannot miss it:

Dot Dash Dot this is Gods message to me you have Cancer my wife had to watch be removed

This is on my spine to be clear; it is growing around my spine the entire length of it, and this is very painful, not as much after the Cancers removed. My skin moves, but the one above it was from the last operation, this is Basal and Squamous Carcinoma Cluster Cancer with its own blood supply, the blood blister was that supply, this is over 2 inches wide and half as deep, they cut out a round circle about the size of a human eye, then pull the skin together, sewing it shut, the Pigs did not think I needed a Band Aid for this, no wonder it got infected, and I later had to have my Gallbladder removed, and that left a 1 inch by $\frac{1}{4}$ inch Blood Clot, that stayed there a year before my body started dilating my veins causing all the veins in my body to turn to varicose veins in seconds, it was extremely painful, and the 911 and Hospital treated me like I was crazy or having another PTSD attack, and just let me sit in the waiting room the whole time, I almost died, and they did not even try to figure out was wrong, because they knew it was the Blood Clot they gave me a year ago, and I was not worth the money to treat it.

Everytime 911 takes me to the Hospital I get this, a blown out IV, why is because I tell them I was an EMT in the Air Force and Special Ops, they do not believe me, so, a year later and this.

This is what my veins looked like after a year from a blood clot, but also a horrifying experience that happened when my body wanted to rid the blood clot. I have Hypotension, my normal Blood Pressure gets up to $120/60$ after a 5 Mile Special Ops run, full packs, and this is normal for me, at rest is $100/50$, I fall asleep and it drops as low as $32/16$, these were recorded in both Civilian and VA hospitals, I had a crash team come in every time I fall asleep, and my BP was measured at $179/142$ in Jail for PTSD with nothing but Toilet Water and food you have to pick up off the floor, all videotaped, so FOIA it.

This is a 1 inch by $1/4$ inch Blood clot I got as a result of having my Gallbladder removed, all because I was arrested for PTSD in my own Home, may not look like much, but this is a year later, see the 1-inch scar I got from while I had an IV ripped out of my arm while be medevacked out of a hot zone, I told them not to use this vein, it got damaged, did the Civilian Hospital care? Hell no, and when 911 took me, after the VA had me overnight for observation and scans, just to have crash teams come in every time I fall asleep, and they gave me a shot to put me there, but it did not work, my veins did something I never heard of, they would expand and collapse in attacks that came and went, and I could not think while it was happening, I was trying to keep my eyes closed while in the hospital because all the images from my Constant Vertigo I was Medically Retired for, looked insane to me, I said it out loud, but thinking I was staying it only in my head as if in a dream, "You are all Fucking Crazy!", so a rent a Pig, puts his hand on his Rent a Pig Protection Gun for Crazy Vets like Me, told me I cannot talk like this, Freedom of Speech is NOT a Right you have so Shut the FUCK UP!, it was scary and PTSD attacks on top of it, it was dilatating my veins and ramping my heart up and down, my lungs are now trash, hurts to breathe, and I had asthma as a child, but no wheezing still to this day, so when it was over, I woke up in a Civilian Hospital, no one looked at me, and someone hurt me even more, then they sent me home in my underwear in a taxi, and would not call my wife to come and get me. This is what my veins looked like after a year from a blood clot, the white spot is cancer that the VA has been burning off for over 20 years now, and it will not heal.

Proof is this from these NASA videos on our Magnetosphere <https://science.nasa.gov/science-news/news-articles/earths-magnetosphere> and the 5% part <https://earthobservatory.nasa.gov/images/84266/measuring-earths-magnetism>

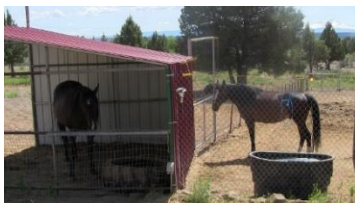

I need to record the End of Time from Space as well as on ground, but I cannot afford to build it, I wrote a book with [666 pages](#) explaining in this in Aspie [great Detail](#), and it is for sell, in hope my Wife will have an Income after I die of Cancer, but this detail is only as Aspies can write this way, so it is not normal style for most Normal or Neurotypicals to read, and I was trained by the Air Force to do such tasks, so I want to build them for the Military, but think the Civilians have the right to know why they are about to be executed in Operation Corona Virus, when my Grandfather let it slip that all Viruses can only be

transmitted by injection meaning by Vaccination and where the term came from, US not China, I was born in Corona, but this is a Masonic Order and nothing more, you can find my Ashkenazi Masonic Orders here at <https://GitHub.com/Light-Wizzard/Perfect/wiki/Masonic-Orders>, and worked in Naval Warfare North of Corona or Norco, where I lived when I was born.

From Space it needs to be outside the Van Allen Belt, NASA has already explained that if we venture outside it, we are under constant attacks from Micrometeorites, I know what it feels like to get hit by one, my poor wife knows what it looks like to take this picture, but would not pull it open to look inside:

This is hours after the Police and Ambulance left, and the blood stopped bleeding out, it was insane, out giving our two horses water when I heard something like a BB gun, and saw things hitting the ground, than the horse, then I woke up on the ground with water all over me, I got up and rinsed off my hands, and I kept seeing blood squirting out of my head, it did not hurt, never did, the rip is big enough to pull it open and stick your finger in, I know because that is how I found it, the Scans the Hospital had taken showed it glanced off my head, peeling back the skin all the way to the skull, look at the Moon shaped cut, and how it seems like it ripped, but dissipated its energy as it reflected off my skull, maybe due to the blood and steam, since it had to be traveling at hypervelocity to cause the damage to my neck, that was what they VA told my wife and I and we are both Medically Retired United States Air Force, the reports proves this, 42 miles away in a line another person found 3 very large Meteorites in their yard, big news event easy to prove, 31 May 2013, around the time "[The Last Magician](#)" came out in July, people thought I was going crazy a year before this, when I spent thousands of dollars to build a Meteorite Shower Bunker, it was epic, so imagine I was worried about getting hit, so I am filling up the water buckets, the one I was filling is just out of sight to the left, but the same size 100 gallon tank, I think I still have it, CB on the left, and Andy on the right is the one that got hit in the rear end, lucky Ass.

So, I needed a Sea Cargo Container and lots of rocks, metal, and other stuff, so I needed a way to get it up there, but I already had a Tractor, a Big one, John Dear 710 B, as in Big.

You see the dirt layer to slow down the Micrometeorites

All that work, should have put the horses in there, Dogs always live in our house, but the Horses have to stay outside, and it gets down below 0 most of the winter, I lived on Crooked River Ranch, two rivers merge into one, this side is Little Deschutes, the River is about 1,000 feet away, there is a dirt road, and a few hundred feet to the bottom of the canyon, and it leads to Steal Head Falls, I tubed it with my kids, fun, Dune Buggy Rail to get around when we did not feel like riding horses, no paved roads for miles, only 9 house lights could be seen at night, no city lights, J² Ranch, so if God was sending me a message, it was if I want to hit you harder, this would not even help, there was also another sign my wife can testify to, one night I heard music, and was walking around the house trying to find the source, I walked outside, and next door to a Cowboy that was already asleep, and it was not coming from his home, so I went in the house and got my wife to come outside an listen, so she did, we sat there as I was explaining the sound I was hearing, and she said she could not hear it, keep in mind that I lost over a third of my hearing and need hearing aids to hear people talk, but his is coming in loud and clear, I was around Jet Engines for over a Decade, and Test Stations included, not sure which was louder at times, so imagine this, a Light comes into view at a very high altitude, we are both Medically Retired Air Force so we both can properly identify any Aircraft, that was my Job in fact, so we both know this is not an Aircraft, and did not say a word other than do you see this, we both watched as it got into the Perfect location to us, which is at the closes point, it just disappears, its level of Light did not vary, and remained a constant, a distance which we saw it come into view and where in fact looking that direction, I was looking for a blinking marker light, none, just one Light Source and it was very round and very bright and very defined and not fuzzy, yet more like a Meteorite going through our Atmosphere and not Skipping off it, scared me, so time to move, that was our Sign, and Grandchildren, we are closer to them, and we never get enough of them. Growing up as an Aspie that did not know till his father told him on his death bed on 14 January 2000, the same year I got married to my wonderful wife that God led me to, and our Children prearranged, after the last 20 year marriage, I thank God for this wife, and another 20 years of marriage, and much happier, proving Satan moves in mysterious ways, the X as in XMAS wanted the Divorce, ewe

ask for it ewe got it, so my life has been eventful, and I understood what the Masons were telling me if I do not build this, no one will, so more about Masons later, but Reality is only what is real and can be proven to be real, so what is real, and the Magnetosphere diminishing is real, so I want to Record the End of Time. Regardless of what anyone believes might happen, the Event is going to happen, and this is all I want to do is to Record it, and to do so, I need to record it from outside the Van Allen Belt, but still orbiting Earth, which is really dangerous, and hard to do, and I need a machine for fabrication in Space, so I need a battery operated motion control system to do tasks like CNC Milling, Routing, 3D Printing, Laser Etching, PCB fabrication using Robotics, so I need to be able to build a Printed Circuit Board or PCB, with components and everything it needs to work, test it, and make sure it is working good, but also repair it, should it break. This is a massive project in scope and more to my point, it's needed at this point in time, as you all know our Planet is changing its Physical Poles, and in case you forgot Science, a Magnet points North, so the South Pole is what most people call the [North Pole](#), and this is due to a steep learning curve about how Energy Flows, and this is my main topic, the United States will be the new South Pole by the year 2033, this is well documented in fact, most people still do not understand it, and to prove this I will start off by asking you to answer these questions to the best of your ability, so we can test your IQ, if you want mine just FOIA the United States Government about the ASVAB scores of Medically Retired United States Air Force Staff Sargent Jeffrey Scott Flesher, if you find scores around 99% you can convert them to an IQ over 180, ask for all my Awards, Achievements, Medals, and Duties, (E)F-111 Electronics Engineer and Computer Programmer, Helicopter Crew Chief for Air Rescue and Special Operations, this is what you will get, but do not take my word for it, but I will go to prison for life for falsifying government Documents, and I am that confident in my Facts that I do this:

To make sure your IQ is anywhere near being able to understand mine, let us see if we are on the same belief in Science, so first answer these questions and be honest to yourself, you know what your limits to knowledge are, what your IQ score is, and what you have seen with your own eyes, but most of you are just too stupid to understand how stupid you are, and to prove my superior intellect, that is an Aspie joke, those are people who are Autistic in the high functioning spectrum, and the only known human species to have an IQ over 180, and common, and more for Women than Men, 3 times as many from my study, but does IQ mean you are Intelligent, and the answer lies in the test, because the IQ test is a Lie, if I was to actually answer all the questions they wanted me to, I would have an IQ below 50, proving their IQ test is Retarded, so let me prove it now with 3 questions followed by 3 correct Answers, and these are Questions that are basic to the Human Kind.

1. What is God?
2. What is Electricity?
3. What is Light?

Now the Answer for what God is, means what is God made of, so if you answered Angel, as in the Angel named God, but there are many Angels, and Nikola Tesla said Angels are Lightning Balls, even the part about them floating down to heaven, which is above us, and getting Women pregnant, Science proves that fertilization is just a Spark, so this is possible, and Lightning Balls much better describe Angels. This Religion is a belief in multiple Angels with different names, so what makes the Angel name God who is the Ugliest Angel of All, and Satan who is the Most Beautiful of them All, so what are Angels made of, the Holy Ghost, look at the number 0, it has a hole in it, and you cannot see what is in that hole, and 0 means no dimensions, and why it is round, in Math Angles are used to express Degrees, and the 0 Degree is where it all begins, so it is in the beginning, so Math has a Primer, you pronounce it Prim`er, meaning the beginning of a concept or construct of math, so get my Math credits from Boise State University (BSU), so Angels, Angles or Lightning Balls? Does not matter, they are all the same things.

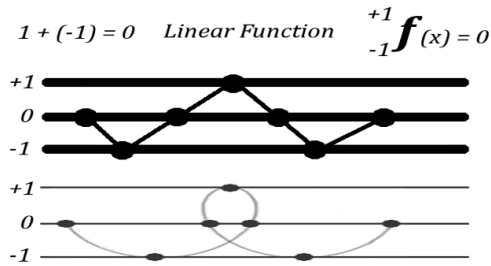

Angles or Angels are easy to see once you know the shape of these patterns.

Math is easy once you understand this simple equation, I call God, using Angels or Angles, Dyslexic in the Autistic Spectrum, so this is the God Equation, written in the Language of the Torah or Bible.

$$(+1) + (-1) = 0$$

Prove it, that was my test, so do so before I show you the correct way...

Let me graph this for you to prove this is the truth.

This is the Trinary Math of God as a Graph, you have (+1) on top of a 2D and 3D graph, the (-1) is on the bottom half, and 0 is the reference line where they are equal, Mathmagician.

Trinary means the same thing as Trinity, but Sir Isaac Newton hated the teaching of Christ as a Deity, see "The Last Magician", a 2013 BBS Special, and it took me getting hit in the head by a Micrometeorite on 31 May 2013 to view this while recuperating on Saturday 27 July 2013 and can be viewed here:

http://LightWizzard.com/books/trinary.universe/webforms.html#newton_video

Magician and Wizard mean the same thing, that "W" word again, the graph on the top shows a 0, known as God or the Holy Ghost Spirit of Mother Nature, we see the (+1), or Positive Matter or the Father, and a (-1), and Negative Matter or Son is called Antimatter, and what Nuclear bombs are, God Bombs, the irony is that our Brainwave is Electricity so our Souls are too, and Money is used to Buy and Sell Souls and everyone does that by the Kilowatt, so we know who Satan is or is that Santa, that Dyslexic thing, so where do we go when we die is easy to understand we become the Copper Top Batteries Energy, and that is Hell, but this is my Reality, and you know who I AM, the most Intelligent Being in the Universe, and I am not joking and will prove it at the very end of this paper, so I will try to keep it short, try is a strange spell for people who ramble on, so let us try to understand this Graph of God.

At time frame 1, we have Energy starting off at Ground or 0 reference line on the Graph above, as it goes negative, it had to pass through ground, now it could be negative when it goes in, and even negative when it comes out, but I want to talk about Brainwaves since that is what we are looking at, as it climbs back to ground to pass through it again, it will then move to higher level of potential or positive 1, and the bottom graph shows this is in 3D, and not 2D as above it, ground is the center of it and where $(+1) + (-1) = 0$. This is something people with low IQ's would not notice, so on with the IQ test.

Knowing what I just told you, some of you will believe in Einstein anyway, so what did Einstein say, he took God out of the Equations in Math, sure him and Plank ignore Light, so go live in Einstein's Universe, where Gravity is caused by Centrifugal Force, may the Force be with you, wake up silly sheep, God is the Force of Gravity, so why call Ewe Sheep, well in Psalms 23 of the Torah People who follow the sheep proving they took the Mark of the Beast known as Sheep like Ewe, that eat Yew, witch is a tree named Taxus, and Taxus is not good for ewe, so only Stupid Sheep would pay Taxus, proving how Stupid Ewe are, but I AM the most Intelligent being so who AMI?

1. What is God?
2. What is Electricity?
3. What is Light?

Now the Answer to the 3 questions above

1. God is All Light without Darkness
2. Electrons that are Atoms with Light without Darkness and Darkness without Light in them
3. God
 - IAM the Light,
 - IAM the Darkness,
 - IAM every Shade of Grey in between,
 - IAM the Light Wizzard in the Flesh.

IAM God, and God is Light, and why who IAM is what IAM, Atoms made of God, Dog is the backward Spell for God, who IAM is AMI, Witchcraft at its best.

IAM is **I And Me** but not me, I am not God but made of God, or Atoms with God inside, and God is the most Intelligent being in the Universe, since Atoms make up the Universe, and ours has God in it.

My wife and I are both Medically Retired United States Air Force, I will try to keep this short and to the point, I will just tell a lot of facts to bring you up to speed on what I know and why I know it, and why you will want to know it. History teaches of people like Isaac Newton and Benjamin Franklin, but there are a lot of things most people do not know about them, for one Isaac Newton is my First Cousin Five times removed, and Benjamin Franklin is my Second Cousin Four times removed, and below are their grave stones, and what I want you to notice about them, is that they are Masons, and not just any Order, but the Ashkenazi Masonic Order, and Ashkenazi is not a Religion, it is just 3 Tribes of Jews combined through blood, so you have the tribe of Ash, the tribe of Ke, and the tribe of the Nazi.

All True Ashkenazi Masons know this story, the pretenders do not, so first off, Ashkenazi name their Children after dead Relatives, and why these Fleshers are named Isaac Newton and Benjamin Franklin,

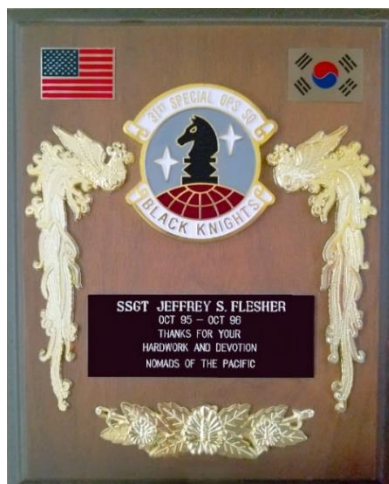

but more to my point, they read everything Kepler, Newton, Galileo, Franklin, and Tesla was after their time, but Tesla read what these Flesher's wrote about what the Other Wizards wrote, and yes, I did just use the "W" word again.

Do you want Proof this Country is nothing but a Franchise, and the last Legal President was the 16th or Hex Abraham Lincoln who was legally Executed for Treason?

Let me show you where I have been:

I started off on the (E)F-111 as an Automatic Test Station for Avionics and Electronic Countermeasures or ECM, I was trained to be an Electronic Engineer and Computer Programmer and got a Medal for improving it by 30%, that I showed you above and I brought it online a year in advance, in time for the Gulf War where it flew over 98% of all Sorties or Missions, and then on to being to be a Helicopter Crew Chief, where I served in the Gulf War, Desert Storm, Vigilant Warrior and so on, from 1995 to 1996 and from 1996 to 1997 I was in Korea:

Back to MOC in 1997 and was Retired in 1999, MOC sits under Command Control, meaning in a bunker physically under it, we have access to Radar from Air Traffic Controllers, also part of our Squadron.

I was in the Air Force Honor Guard and longtime friend of Joe Albertson, he owned the store down the street maybe you have heard of it, we still shop there, so anyone can say that, but him and his wife went to the same Masonic Lodge as my Grandparents, in the Air Force I met up with him again, I have done several filmed CNN news events with him over the years, Boise Submarine Dedication for one, my point is simple, I have done this type of work before and excelled in it, and want to again, but I am not looking to make Money, I have written a book that my wife will get all the Money she needs from its sell, and it will once anyone understands what I am trying to explain to you now.

My Cousin Isaac Newton wrote a book about the 2060 calculation about the End of Time in the Torah, understand Newton said Christ was inserted into the Torah after the 4th Century, and Christ means Star and Christianity means the Study of Stars, this is easy to prove, just watch the 2013 BBS Special "The Last Magician", http://LightWizzard.com/books/trinary.universe/webforms.html#newton_video, and you will understand why Religion that only teaches God does not Physically Exist, and only as the Angel named God, so not God, but an Angel named God, and Christ like this Deity God, does not Physically Exist, not even in History, but Jesus who people still deny him 3 times to this day, so let me count them for you.

1. Jesus
2. Bar
3. Abbas

The Leader of the Militia, who defeated the Roman Empire for their use of Money and Taxation, and our own Law proves Treason, this is proof of Treason the Law of the United States of America and its Code known as the US CODE of FEDERAL LAW TITLE 12 CHAPTER 3 SUBCHAPTER 9 SUBSECTION 341, you can find it at the (White) House under US Code:

<https://UScode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>

The Enumeration of Powers Act

1. **First.** To adopt and use a corporate seal.
2. **Second.** To have succession after February 25, 1927, until dissolved by Act of Congress or until forfeiture of franchise for violation of law.
3. **Third.** To make contracts.
4. **Fourth.** To sue and be sued, complain, and defend, in any court of law or equity.
5. **Fifth.** To appoint by its board of directors a president, vice presidents, and such officers and employees as are not otherwise provided for in this chapter, to define their duties, require bonds for them and fix the penalty thereof, and to dismiss at pleasure, such officers or employees. The president shall be the chief executive officer of the Bank and shall be appointed by the Class B and Class C directors of the bank, with the approval of the Board of Governors of the Federal Reserve System, for a term of 5 years; and all other executive officers and all employees of the Bank shall be directly responsible to the president. The first vice president of the Bank shall be appointed in the same manner and for the same term as the president, and shall, in the absence or disability of the president or during a vacancy in the office of president, serve as chief executive officer of the bank. Whenever a vacancy shall occur in the office of the president or the first vice president, it shall be filled in the manner provided for original appointments; and the person so appointed shall hold office until the expiration of the term of his predecessor.
6. **Sixth.** To prescribe by its board of directors, bylaws not inconsistent with law, regulating the manner in which its general business may be conducted, and the privileges granted to it by law may be exercised and enjoyed.
7. **Seventh.** To exercise by its board of directors, or duly authorized officers or agents, all powers specifically granted by the provisions of this chapter and such incidental powers as shall be necessary to carry on the business of banking within the limitations prescribed by this chapter.
8. **Eighth.** Upon deposit with the Treasurer of the United States of any bonds of the United States in the manner provided by existing law relating to national banks, to receive from the Secretary of the Treasury circulating notes in blank, registered and countersigned as provided by law, equal in amount to the par value of the bonds so deposited, such notes to be issued under the same conditions and provisions of law as relate to the issue of circulating notes of national banks secured by bonds of the United States bearing the circulating privilege, except that the issue of such notes shall not be limited to the capital stock of such Federal reserve bank.

Let me explain it this way, Joe Albertson is one of the smartest people I know, and I had dinner with him around the holidays in December of 1992, and a dinner the Honor Guard attended, I was the ranking member and head of table, I want to tell you a story I will never forget, so keep in mind the audience I am talking to, Military, top Government Officials, and our guest of Honor, the Albertson's, who just toasted to the end of our Constitution, and everyone got it, but a few, so let me explain this:

1. \$ That is a U and an S, superimposed on top of each other.
2. This one says that the Federal Reserve is a Franchise, and in 1933 they dissolved Congress, because they could not make the interest payment due to their huge salaries and corrupt spending, the Federal Reserve took over and started printing money, and issued Executive Order 6102 is an Executive Order signed on April 5, 1933, by US President Franklin D. Roosevelt "forbidding the hoarding of Gold coin, Gold bullion, and Gold certificates within the continental

United States.”, and then they stole all the Gold in the Country and forfeited the Country, and it filed Bankruptcy, and we are still running under that status since we cannot make the Bank Payment. We the Sheeple of the United States, bought into this Franchise with our Blood and would die defending it, and why so many pretend we have a Constitution because stupid Sheep do not understand the meaning of Only, as in Only Congress can Print Money, a loophole in the Constitution, and why my Family refused to sign it, and now it is just a relic, it was suspended 100 years before my birth, in the year of 1861, so I was born into Slavery and had no say so as to who owns me, and Me is just short for Meat, so it is the Flesh, and that is my name, and what Jesus Bar Abbas said he would come back as, once again, to fight for Real Freedom, and not the kind of Freedumb the United States enjoys so much, but it is Free, and Sheep never get enough of Being Dumb. The Officer looked at me like I need to keep my mouth shut, but Kathryn said go on, as Joe squeezed her hand, tell us about the 8 Enumerated Planks of Slavery...

3. All Masonic Orders are numbered orders, and the First 3 are always free, and that is where the Term Free Mason came from, during the Civil War the Bank made a Contract with the North and the South and funded both, not caring who won because everyone already lost the Country.
4. This is the Whole Game, Sue, they own every Court and every Person working for Money, Game Over, Sue to prove this, what is the point, they own U.S.
5. First off, the President of the United States are voted for, proving the U.S. President falls under employees as are not otherwise provided for in this chapter, and that is because the United States is in Default on a loan they took from the Bank, using the Country and all its Citizens as Collateral.
6. This means the Bank can have Fun at the Expense of all its Slaves, they own the Courts, and all the Judges and Lawyers, and the Police is their Army Pigs.
7. That means they have the Power to do anything it takes to keep the Banking going.
8. We the Sheeple of the United States of America, are now the property of the Bank and will do what they say

This can be verified, and I gave you the link to prove it.

While in Kuwait and Korean as a Dedicated Flying Helicopter Crew Chief, who was also in charge of Emergency Medical Technician Training, and Chemical Warfare, not to mention the fact that I have an Excellence in Competition Medal: Rarest Medal Authorized by Congress for wear on all Uniforms, and in fact the only Medal authorized for wear on all uniforms, less than 1% of all Military, only 12 are authorized in a year for all Military branches World Wide, so I am one of the top M-16 Military Competition shooters in history as a Senior Airman, the year I got it, only 11 were awarded.

This is my question to the World, why did an Honorable Medically Retired United States Air Force member get arrested for over a week and tortured to the point of losing organs, and threatened they can come back and do this again?

I am left-handed but forced to write and use my right hand, and use both as a result, and can shoot both ways, and I can empty a clip after clip changing guns at clay moving targets without missing one in 500 rounds, that was my record anyway, not sure what the real one is, I am now legally blind without my glasses, but still, the Military took away my rights to own guns or have them in my home, so I gave all my guns to my Sons-in-Law, since I am also a undefeated in a type of fighting outlawed in the U.S., I do not need them, but these are also the reasons I was medically retired for PTSD, and have lived as shut in since I was permanently retired with over 150% in ratings, I am currently on Prozac and Remeron, and use Medical Cannabis Oil, I do not smoke anything, Pot included, nor do I drink alcohol, never liked it, social drinking limited, on my meds, not a good idea, I use the drugs to help with sleep, take them only at night, Medical Cannabis Oil is legal where I live, been on it since 2010 after my first Cancer Operation, I have always had a License and do not use recreation grade, only Medical Grade with a license, but the deal with the Federal Government is coming to close soon, I have been a member that has petitioned the Federal Government for a Federal License, and we want it prescription, and want the VA to manage it, if you see my scars, even the one 2" cut in the middle of spine across it horizontally, they removed a chunk of meat the size of a human eye, cutting to the bone, but not the spine, keep in mind I have Neuropathy in my hands and legs, due to Hypotension, my blood pressure is monitored at times, every time I go into an ER and they hook me up, they send in a crash team, since it is normal for it to hover between 120 over 60 after a 5-mile run, in Special Ops, timed, with a heart monitor, lowest they have recorded if you do not understand this condition yet, I fall asleep it drops below 90 and stays there, and then flutters and goes down as low as 50 over 30, this was a few months ago at the VA, and does this normally, I do yearly sleep studies with machines hooked up, no REM sleep, PLM, and Nightmares, I wake up on the Battle-field, the year they removed my Gallbladder after being arrested in my own house, my wife got drunk and someone called the cops, who have to come up the mountain, it interrupts their donut break so they are pissed, and were pissed and arrested both of us, knowing we have two dogs and no one to watch them, my wife made bail so the dogs are fine, one is a Black Nuffy with a White Angel on her chest, the other is a Santa Paws Puppy, the White one called Snowy is ours:

<https://www.facebook.com/VetsHelpCenter/videos/10201291979372864>

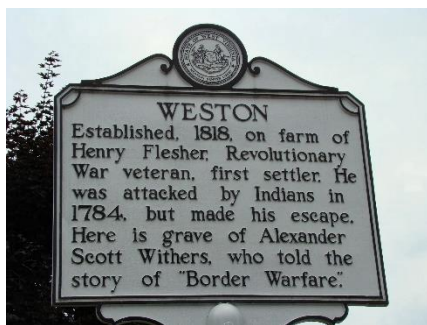

While in Jail for a full week without any rights to make a phone call, or medical treatment, I had no idea why I was in there or how I got there, that is how PTSD is, I did not even know my wife had been arrested, I did not find out till I got home and wondered why I was in there, all so these Pigs can make over 2 grand in bail, I did not remember how I got into the cell, someone told me I was in for Domestic Disturbance, that is what they call a PTSD attack, they leave me in cells moving me every 20 minutes, knowing I have a wheelchair or walker disability, but not allowing them in Jail, I had my second Appendix and my first and last Gallbladder attack, this was not Gall Stones, it died, I have Tumors in my Liver the Size of a Finger, all veins and blood vessels from my Gallbladder, and I had cyst on both kidneys, now only on one side, not that this makes me feel better, I have two Spleen's just to keep up with pus production, so these Pigs recorded my Blood Pressure at 179 over something insane like 142, I was dying, they tell me, it needs to be over 180 so stop your crying your fine, and I lost an organ because of

the Jail system, and was not allowed to sleep during that whole time, moving me cell to cell, jail to jail, county to county, I could not stand up, so they would chain me and jerk my chains, I broke my toes, had open sores from cancer surgery, I want you to understand what I went through, and I did not know PTSD attacks in my own home was illegal, and we do not have the Money to Sue, and that is just a Game I cannot Play since I have PTSD! The Pigs know this, and know how to Make Money off our Suffering, and I am done with them our New Year's Resolution is "FUCK Pigs", Slaughter them, and make Bacon out of them, but we are Not going to Eat it any more so stop Killing the "Fucking Pigs", Ewe know you are next, so this year we are going to be "Pig Free", and not just because I am an Ashkenazi Jew who does not eat Pork, but now we know why.

Recording the End of Time Event will remind people how fragile our Earth is, knowing all these Pigs will die will make me happy, a jail Joke, not sure they mean it, but I do not, all the hell they put me through, I hope they all survive it, I have no grudge with them, most of them do not know the truth as I have told it, and I can and have proven it.

I have over 6 years of training on Electronic Equipment and over a decade of working on Aircraft, with a history of working as a Class B Machinist with 6 years as a Journeyman and as a Certified Welder.

My name is Jeffrey Scott Flesher, I was born in Corona California Saturday 14 January 1961 to Mary Lu Robertson, or Son of Robert the Bruce, and Robert E. Flesher, the E. is just an E. just like Robert E. Lee, and a few others, no relationship, but that E does not stand for anything, but people will try to say it did, but that is an Ozark thing, and my Grandmother came from the Ozark Mountains back in the 1600s, and my Grandfather came here from Germany in 1752 and settled in Weston West Virginia, which is named after my Great Grandfather <https://www.krepps.net/henrywestonflesher.htm>

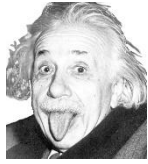

My Father had the highest recorded IQ when the results were released in the Riverside Newspaper the year, he graduated from Corona High School.

Robert E. "Lefty" Flesher Birth 11 February 1941 in Alexandria, Virginia, USA

Death 13 February 2000 (Age 59) in Corona, Riverside, California, USA

I have the clip in my scrapbook somewhere and could scan it in, but this proves he had a higher IQ than Albert Einstein in High School, I had an Adult IQ of over 180 by the 3rd grade, proving he was retarded

compared to me, and I just love to point that out, 20 point in IQ, 50 is Retarded and 70 is normal, and my IQ cannot even be tested, ask the Air Force, they tired.

People think you need to debunk Einstein when no one has proven any theory of his in over a Century, and his Theory is about an Alternate Universe in an Alternate Reality, so it has nothing to do with our Own Universe, since it has Light it, and Einstein removed it by removing God, since the Torah or Bibles define God as All Light without Darkness and Einstein even said his Theory will not work without Sir Isaac Newton's God as the Force of Gravity, and since Atoms are made of Neutrinos and Light without Darkness, and only Electrons have Darkness in them since Darkness is the Rainbow of Colors in the While Light from our Sun broken out in a Prism, and white and black or shades of grey are not in that rainbow, but are found as inputs and when recombined from a Prism are white and black and shades of grey, so my science is based on Kepler, Newton and Tesla, and not Einstein who removed Light then told you C is the Constant for the Speed of Light and you square it to be Energy, he removed the Light, by removing God that is All Light, so what is he squaring again, it is stupid, and only applies to an Alternate Universe in an Alternate Reality, so who cares anyways, but why $E = MC^2$ works is simple is called Algebra, take $F = MA$, where M is the mass of Atoms, and A is the Acceleration of that mass, if you square the Speed of Light, knowing Light has no acceleration so it can only be Static, and never Dynamic, and the Universe is Dynamic, but not the Light in it, so basically you have A being C, when A is the Speed of Light, just square it, so this is Newton's Formula and not Einstein's, so this is called Plagiarism and against the law nowadays, but that is where Einstein got all his Math from, a Thief in the Patent Office, and since Einstein removed all Light from his Theory, and why Plank ignores the Light, and why Plank and Einstein are only talking about an Alternate Universe in an Alternate Reality none of their work can be applied to our Universe, and that is just a Fact, if you FOIA the government of the United States to get my Awards, and ASVAB score <https://Military.com/join-armed-forces/asvab/asvab-and-army-jobs.html>, which is 99% or over 180 IQ you will find many awards, including

I worked on the (E)F-111 my Grandmother designed while working at the Pentagon, where she met my Grandfather who was a Navy Submarine Engineer, who died from Nuclear Radiation from a refit of a Steamer to Nuclear, in 1964. My Uncle worked for General Dynamics and improved its actuators and motors, and hydraulic valves, and I worked on Avionic Automatic Test Stations, with Westinghouse in the same capacity I am looking for now, I was paid by the Military, and still am, both my wife and I are medically retired, so I am not looking for a salary, just a chance to work via email or phone, and mail, shipping parts back and forth.

I can get Top Secret Clearance, and sign any papers needed, my credentials are easy to verify, I am retired Military, see attached DD-214, I worked for the Orbiting Earth Observatory for the EPA and the BLM and have awards from both as a Computer Programmer.

I do not care about patents, or licenses, not trying to make money, I have Cancer, the Loma Linda VA can verify I have skin cluster cell cancer, and have had my descending colon and gallbladder removed, I just need the parts, and they do not exist, and I do not have time to wait for them to be built, and after I explain why you will understand, but also why I told you so much about me.

My goal with you to listen to all this is simple, I am not looking for funding, I will have to explain my reasoning, because what I am about to tell you is not normal, and I am not normal, but all this is true, and can be verified to be the truth, common sense goes a long way, nothing that I will write here, that I do not prove using common sense, records are easy to get, I gave my DD-214 it is the only thing you need, FOIA the Government, my claims are real, and why I am spending so much of your time telling you who I am, and why you want to know this.

I need a specific type of Servo Motor, with a special type of brake system; I want an AC frequency regulated synchronous motor with optical and mechanical and electrical encoder, that is lightweight and sealed for use in a vacuum or chemical environment, it needs thermal regulation to run the motors at optimal temperatures, this means hot or cold, heat I need to use Electrical Scavengers to drain heat and convert it back into Electricity to charge the battery running it, I have never had any luck Scavenging Energy from Cold yet, but I cannot build an efficient heat sink, nor do I want to try, it is only a waist of energy, and why some Intelligent enough would be interested in this project, I need this to run on battery, and I have a really good concept for something doable, up to 30,000 recharge cycles, and fast charge and discharge capabilities, and a good way to convert that to digital Frequency, basing everything from converting heat and cold into electricity to charge the battery, that runs the motor, and it needs to run in Space, as well as in an oven up to 110 C or 230 F. This machine is going to be made of lightweight materials for space, and needs to do CNC milling, routing, laser etching, 3D printing, and Printed Circuit Boards or PCB Manufacturing or MFG, testing, building and repair, and I want to write the software using Qt QML and C++ to make it Cross-Platform for Windows, Mac, Linux and Mobile, I can do the programing, I have many credits from Riverside City College back in the late 70s and early 1980s for machinery and welding, and Boise State University (BSU) while stationed at Mountain Home AFB in Idaho, from 1985 to 1993 with the Wicked Witch from the West, many more awards for programming, so what I want to build is an automated part making machine for the Space Program, and why [Elon Musk](#) will be interested, why you would be, is simple, I have a concept, I can talk and deal with your Engineers directly, we sign some contract stating I am a non-paid consultant, and testing, building, repair, maintenance, Documentations procedures and software and documentation for it, is what I will help with, in other words I have a simple deal, I sign a non-disclosure so I can work directly with your Engineer, one is easier, on classified projects like this, the classification is up to you, but I am talking about Aerospace contracts, and this is Technology once you understand what it is I want to build, is doable, but does not exist now, and the patent and copy rights are yours, I just want the parts and equipment and prototypes, and do not care if they are new, we are talking prototypes of motors never built, from scratch, and I will even work on the MFG procedures and documentation, because I want this done right, I have OCD and I am schizoaffective, but will pass any Mental evaluation required to prove I am never schizophrenic, and some might tell you it is not possible to be one without being the other, or visa verse, and that is true, and I do have that issue when waking up, it is documented, no REM sleep

since 1997 when diagnosed with what the VA later diagnosed as DNA damage, better known as Gulf War Syndrome or Illness, I run the Vets Help Center since 1999 <http://VetsHelpCenter.com/about/> with over 33 million hits, and email I have a hard time keeping up with, so I have no issue giving you permissions in writing to get my records and do any testing you want done to prove I am not crazy or dangerous just because I have PTSD, that and a broken back, the second time was it, Vertigo lost me my flying status as a Dedicated Flying Helicopter Crew Chief in Air Rescue (ADCC) Staff Sergeant Jeffrey Scott Flesher.

I have many levels to this concept, the first is the Environment Chamber, this is a box of unique design to test space and underground conditions, that means vacuum and pressure, the concept is to design motors that can run at extremes, and I do not mind making this to test all your motors with, so this is simple, I make two machines, I build yours first, prove it works, but no matter what, you get those parts back, so you are not out the parts nor equipment I will ask for, I will sign a receipt to that effect that is legal, just keep this all above board, I want to prove this system works, before I ask you for parts to build another one, this one is the one I want, but will give you all the data, this means all the images, video, documents, blender and free-cad files, for drawings and physics simulations, and even build you one if you want it, these are Test Station Machines, this is what I got my [first Congressional Medal](#) for.

My proposal is basic, I want to build my own shop so I can work on this [Perfect Machine](#), or work in a shop that has the equipment I need to do what I need to do, but I need a shop, parts, equipment, material, and so on, so it is an investment, all of this goes back to who even wants it after I die, I do not plan on taking it to the grave, and I do have cancer, so your investment is based on what I can do in that time, which is to build this End of Time Recorder.

I will need to find a Partner, Elon Musk <https://tesla.com/elon-musk>, would be the person with the most to gain by this partnership, but I have tried to contact him before and never heard back, these people never read anything you send them, they pay people to read their mail, and the first time I talk about God being real they delete the message, so I need help finding a Partner that believes God is Real, and that is not easy to find.

I can only tell you the Science of Kepler, Newton, Franklin and Tesla, you only need to believe in them, and not Einstein, do you have any concept of how retarded he is to people like me, 160 vs 180 IQ is not what I am talking about, it is Common Sense, you do not need a high IQ to understand God is All Light without Darkness, All means Light, without Darkness is called Reasoning, it means Colors, Light has No Acceleration therefore Static, God Never Moves, Common Sense, do you live in an Alternate Universe in an Alternate Reality? No, so why would you try to apply it to this Universe and this Reality?

The only reason is Ewe are Insane, and if you do not have enough Common Sense to understand Psalms 23, it tells you that the followers of this Torah or Bible are Satan, the Logic and Reasoning does not take an IQ over 180, only Sheep follow a Shepard, who is the Shepard is clear, Satan, who else leads Sheep

into Green Pastures to fatten them for feast, and leads them through the Valley of Hell to prepare them for feast for their Enemy, who leads them to be slaughtered and makes them feel good about it, who has to Take the Mark of this Beast known as a Sheep like Ewe, who buy and sell Souls knowing our Souls are being Sold by the Kilowatt, we know who lives in Sin and takes the Mark of the Beast known as Sheep like Ewe, Common Sense goes a long way, Satan or Santa what a Clause in Law that allows Treason, well let me let you in on the Reality and the Law, the Military took an Oath to Kill everyone guilty of Treason, and that means everyone that uses Money not Printed by Congress, so by Law they have the duty to kill everyone in the United States of America, and so they made a Deal with China, they kill all the Treasonous Traders in the United States, and we will kill theirs, and World War III or 3 also known as the Trinary or Trinity War is about to begin, and now you need to pick a side, and I have no Power in the Military at the Rank of Staff Sergeant, I only know their plan from the beginning, just after the Militia executed Lincoln, they started their takeover of the Military and now own it and the World, they are the Good guys, Fighting for Freedom, and not Money or Freedumb, and this war is about to start and no one knows why, and that is clear, no one listens to People like me, Masons, my Birthday was predicted right, it was like winning the Lottery, whoever is born on that Date and Time will be the next selected Mason Leader, I was force fed this knowledge from birth, I have no idea why the Mason think one Person can come up with so many solutions, and take a bow of Poverty at the same time, loop holes like taking an Oath to the United States of America's Constitution or the U.S. Constitution is one I made that is not normal, so few knew to ask, but ask and you will be granted, it is a Masonic thing, so I joined a Different Military then most, if they did not know which Constitution to ask for, they were given the Default Constitution that is Amended to Allow the Bank to Print Money instead of Congress, the one I took an Oath to said that I have the Duty to Execute all the Commit Treason, and so I am a supporter of World War 3, not only that, I have been unknowingly a part of a much larger war, so on 911 when my boss came in and told me the whole story how both buildings came down, I called my wife of 20 years now to come and get me, then logged into the BLM's Camera Systems and found images of Drones hitting these targets, and the BLM Police came in, and we had an altercation, I walked out when my wife called to say she was there, and walked out, later I lost my job, and was 100% Disabled for PTSD, because I did not remember the altercation till years later in a dream, I have memory time frames I forget about, but I have made models proving this, and will give you a [link to them](#).

Do you see a plane crash scene?

I am a Flying Dedicated Helicopter Crew Chief trained to spot crash sites and this is not one.

All anyone needs to do is contact the Alphabet Soup Companies, the FBI, CIA and Military all have Records on me, and they all know what I have been saying on all my Websites, like the [Light Wizzard](#), [Vets Help Center](#), [The Last Outpost](#), [Trinary Science](#), [Trinary Univerisity](#), and my [YouTube Channel](#), FaceBook for [Light Wizzard](#) and [Vets Help Center](#) and look at how long I have been saying this, and the stupid people that leave stupid comments.

Do you need Einstein to point out Thermal Cuts?

What is wrong with this image, this is the size, but it does not fit, so why?

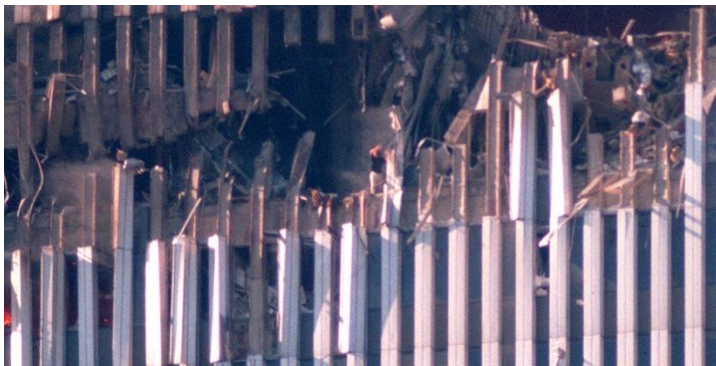

The Ghosting Aircraft, explain how it impacts with no signs of anything crushing?

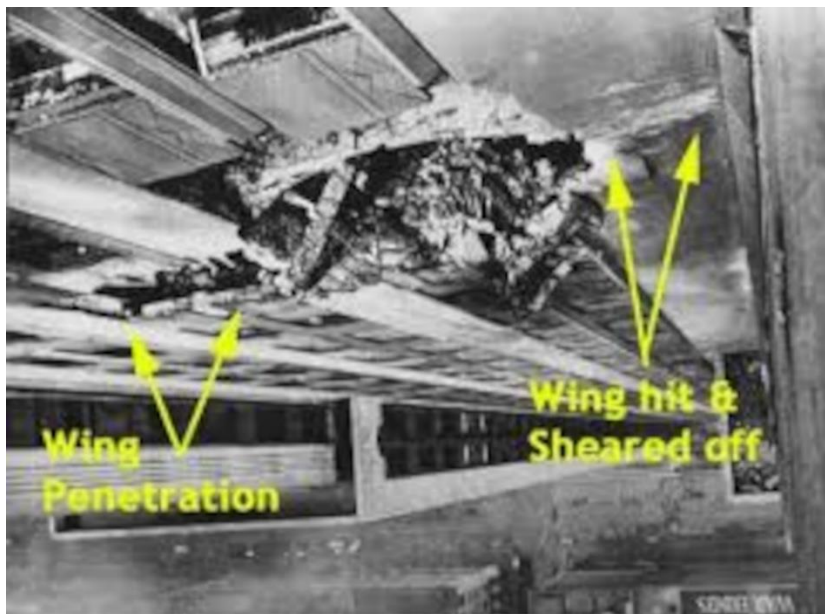

See this View of the building perspective?

Now explain how to get that shot from Battery Park in New York City?

Is that a woman we can identify by name, ask her how she can stand in the hold an Airliner made?

Can you understand when a Military Bombers hits a building, it shows impact, parts fly everywhere?

See the size of this Engine?

Do you think she can fit inside it?

See this Wheel?

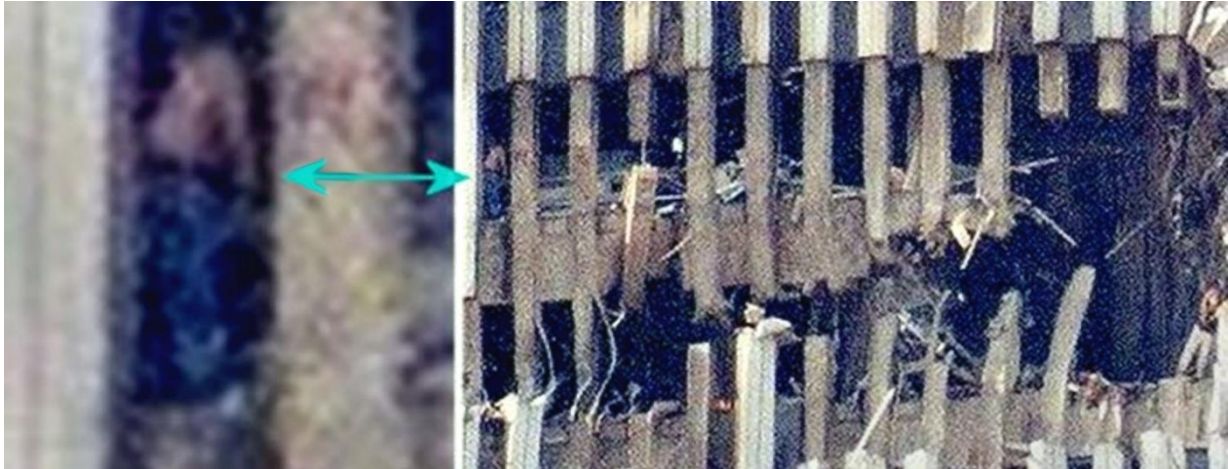

Does it look like the size of these tires?

Is there any Science behind Shit Shaped Bombs that allow a bomb to go off in only one direction?

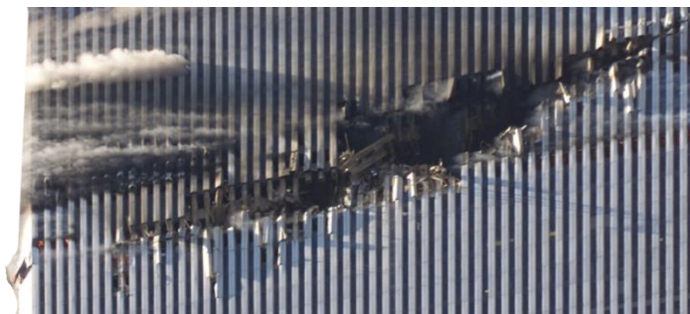

This is a Drone, do you see something as large as a Jet Airliner?

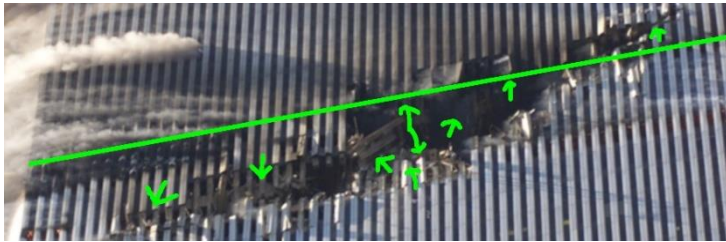

This is a person standing in the zone they want you to believe is so hot it melts the building?

Do you believe these people would still be sitting at their desks after an Airliner flew through?

Do you believe those burn marks in a line but not part of the hole is a Clue?

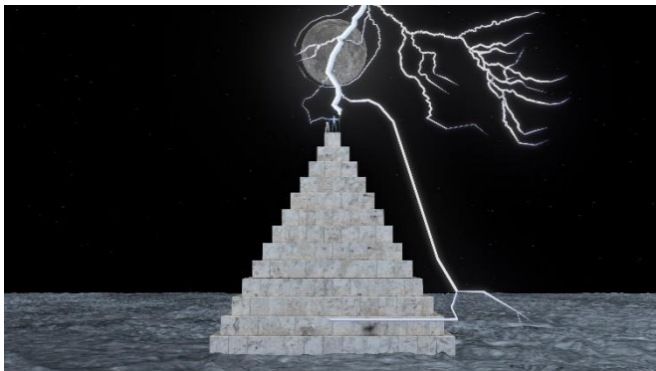

Do you know what a Clue looks like?

Do you believe an Airliner made this Hole in the World Trade Center Building?

Why is Kai the Hatchet Guy in Prison for Life for being Raped by a New York Lawyer?

Why has this Dog and Wizard tried to Tell Sheep the Truth, but they Deny it?

This is to my Wife on our 20th XMAS together, and till death do we part, I love Ewe my Sheep named Neeney, I Love You I do, and like I told you this Morning of 25 December 2020, that in Hindsight, Jesus Bar Abbas was born on 14 January 2021, so I will wait till then to Celebrate his Birthday with only You, my Neeney, so let us have a Happy New Year, and start a New Chapter of Our Life, the Dogs and my Neeney are all that I need, but a Shop is want I need if the Sheep are to Survive, and Jesus Bar Abbas said he would come back as a Dog named Flesh, and you know both our Military Dog Tags say Flesh, or was that the Terminator, "I will be Back in the Flesh".

I love all our Children and Grandchildren, but I am done pretending the United States Constitution was Amended to allow Treason and the Trinary War has begun, and we are on the Side of God who is All Light without Darkness, and the Military took an Oath to Defend and Protect it, so we will, just like it states, only Congress can Print Money, so this is for the Kennedy's, I will not let his execution go unknown, the Bankers had him executed by his own Army, to see if Money can pay for Loyalty to the Bank, and I would do the same for Free and execute anyone that uses Money not Printed by Congress, and that is what JFK was executed for, not printing it by Congress, but by allowing them to continue to allow the Bank to print it, the Military and Militia that Own it, and it does, and not even the Military would deny that, not a bad thing, but it is required by Law, so it is just a fact, and we Military Know this, but the World does not get it, so my Present to you on this Day, is to promise we will move this New Year, regardless of my Fear of Lower Altitudes what I know will be Flooded first, it is the First of all Signs in the Torah and Bible that you know I regard as the Truth about our Universe if you only take it Literally and only Autistic people do, so let me try to ask others for Help in our Time of Need, regardless of if you ever want to Believe I was the Chosen One in the Torah or Bible, the fact is I was born on Saturday 14 January 1961 at 18:32 or 6:32 PM in Corona into a Masonic Family dating back to Jesus Bar Abbas's blood line of Ashkenazi, add a Century to it, and it is 14 January 2061 6:32 PM just like Newton Calculated, and Sir Isaac Newton's Calculation is the same as my First Cousin 5 Times removed Isaac Newton, so I did not make this up, nor his Son Benjamin Franklin, all who wrote how this came from the Torah and Bible, and is still in them to this date, they only inserted Christ so Sheep like ewe would take the Mark of the Beast and feel good about being slaughtered in the End of Time for using Money Printed by Congress, I was ordered to, and I follow Orders, JFK was ordered to stop using Bank money and Congress refused so they had him Executed by his own Men after they found out his Brother was going to go along with the plan and run for President after him, and make sure they never borrow any more money again, by increasing our National Debt, so I want to put an End to talking about Money and get on with Life, NASA has proven our Time Line is now pushed to sometime in 2033, so I need to ensure we can Record this Event, no matter what anyone thinks will happen at that time or after it, which I will stick to Sir Isaac Newton's Calculation and Pray to my God who is All Light without Darkness that date is right so we will be left more time, and to ensure everyone knows what is about to happen is Real Science, and that is hard to make ewe understand Einstein is not Real Science, it is Science Fiction, and my Neeney knows I love it, but not in my Trinary Science, my Neeney knows all this by heart, and I love my Neeney with all of My Heart, Marry XMAS, where X Marks the name of the Beast known as Sheep like Ewe, so Mary Christmas to Ewe who took the Mark of the Beast known as Sheep like Ewe, Mary Christmas to Ewe, and many more, and have a Happy New Year because we are Moving out of Here, and

Moving on to No Green Grass on the other side of this Hill or Hell we called Home, so Mary Christmas to Ewe Mountain Goats, and Happy New Year to all of Ewe.
